## Who we are

Catholic Order of Foresters (COF) is a trusted, century-old Catholic fraternal benefit society. We offer our members financial security through quality life insurance plans and annuities, and provide opportunities for spiritual, social, and charitable outreach.

Member volunteers support Catholic and community causes such as *Feeding God's Children* held in conjunction with Join Hands Day. And our successful Matching Funds Program of charitable giving allows members to raise money for school, parish, community, and humanitarian needs.

Established in 1883, Catholic Order of Foresters is a not-for-profit insurance organization with nationwide membership. With more than \$2.7 billion of life insurance in force, COF ranks as the third largest Catholic fraternal society in the United States.
