

RESOLUTIONS AND PETITIONS COMMITTEE

Committee Responses to Preliminary Report Comments

Responder identification	Comments	Committee Responses
<p>Erin Donnay MN Delegate St. Anthony 743 erin.donnay@gmail.com</p>	<p>On page 2, add periods at the end of 2nd and 3rd recommendations.</p> <p>On page 3, Michigan, Minnesota & South Dakota - add comma between MI and MN. Add period at the end of the recommendation.</p> <p>On Page 7, 2nd recommendation - add “s” to Forester members in 2 places in Be It Resolved and Resolution.</p> <p>On Page 8, add “s” to Forester members in 1 place in Be It Resolved.</p>	<p>Thank you for your comment. We appreciate the time and effort you spent in reviewing the report. Since your comments reflect a typographical, grammatical, punctuation, or numerical change, the Committee has made the correction and will be reflected in the final Committee Report.</p>
<p>Greg Cass WI Delegate St. Mary 1763 gregcassjr@gmail.com</p>	<p>I have reviewed the preliminary Resolutions/Petitions Committee report and support their conclusions. I specifically support and encourage the resolutions from Minnesota regarding court mergers and how court finances are handled in that situation. It is important to not use a holding court unless necessary and for the accepting court to receive some consideration for the additional members.</p>	<p>Thank you for your comment. We appreciate the time and effort you spent in reviewing the report. As stated in the Committees recommendation, this matter is being referred to the High Court.</p>
<p>Carol Anders IL Delegate St. Procopius 443 cmanders444@yahoo.com</p>	<p>I just have a question: What does it mean when it's said “Refer to the High Court” regarding a petition? Will there still be discussion about the issue, or is it simply handed over to the High Court to handle or not?</p>	<p>Thank you for your comment. We appreciate the time and effort you spent in reviewing the report. Matters that are referred to the High Court are done because they are either legal or By Law requirements. All recommendations are subject to discussion at the National Convention.</p>
